Please Note
We understand that we have a lot of items that many people are not familiar with. Feel free to ask for a sample of something before you order it. Please do not ask to have your meal charge taken off your check because you did not care for an item, or because you were expecting it to be different than it was. If your order is not cooked properly, we'll be happy to do it over. If you still have a problem our shift manager will take your name & address for a gift certificate.

Southern Food has many different seasonings. We use fresh smoked meat for many dishes, including our vegetables. All of our meat is pulled by hand, and we may miss a bone or two every now & then. Please be aware of this while enjoying this great Southern Cookin'.

Also, please be aware that the FDA recommends cooking ground meat to a minimum of 140°. If you order yours rare you are doing so at your own risk.

WELCOME to Uncle Willie's - Ct's Best and One of America's Top Ten Barbecue Restaurants

Why is Uncle Willie's BBQ so famous? #1 - The love and care we put into our cookin', using only the finest pork and beef. #2 - The secret blend of spices in our dry rubs and sauces. #3 - The Wood, it's all about the wood and the Pit. We never cook our bbq over direct heat (that's grilling). We slow smoke our meats until they're so tender the meat falls right off the bone.

Award Winning Pit Smoked BBQ

"One of America's top Ten BBQ's"
Jane and Michael Stern
World Famous Authors and Food Critics

The secret to making our barbecue so tender, moist and flavorful is the 12 to 18 hours of cooking in our special hickory and oak wood-fired barbecue pit. You'll see a distinctive deep rose colored layer on our meat - that's the Smoke Ring, it's a sign of real pit barbecue. It's a taste you'll love!

Famous Steamed 1/2 lb. Burgers

What's so great about our burgers?

Our burgers are made from 100% pure American ground beef, ground fresh daily, hand formed starting at 3/4 lb, then steamed to perfection for that "this is a great burger" taste.
